Benefiting Childhood Cancer Careline –
Aiding local families battling childhood cancer

Community Friends,

Childhood cancer is still the *number one disease killer* of kids under the age of 18. In the Pacific Northwest, over 400 children are diagnosed with cancer every year. *Childhood Cancer Careline, Giving From the Heart* is a local non-profit, 501(c)3 organization, and has been providing vital programs and services to children and their families with who have been diagnosed with cancer since 2001.

Show your support to our local cancer families by becoming a sponsor for our 'Play Fore Kids' Golf Tournament, September 29, 2008 at the Trilogy Golf Course in Woodinville, Washington. By partnering with us, your business receives recognition as a sponsor. You'll also make a difference in the lives of our local children diagnosed with cancer.

Our thanks go to Menno Groenhout for coordinating this special event. Please feel free to call him or myself if you have questions regarding sponsorship opportunities.

Sincerely,

Denise
